Vaping 101

Jul 30, 2020 | Featured, Guides, Vape | 0 comments

When it comes to ease of use, portability, and functionality, one cannabis product stands above the rest—vapes.

You may know them as vape carts , dab pens or cartridges, and they have quickly become the go-to concentrate-based product for both cannabis novices and enthusiasts.

When it comes to choosing the right vape pen, many factors come into play. These products may seem similar at first glance, but there are many nuances that distinguish them.

WARNING: This product contains nicotine. Nicotine is an addictive chemical.

This flavors name indeed does this liquid justice. An incredible rush of Strawberry and Kiwi ushered in by a cool summers night breeze by the pool. Simply put it is pleasure in each and every draw. Precisely balanced to complement each of the individual flavors and finished with just the right touch of menthol.

Available in 0, 3, 6, 12, 18, 24 mg nicotine.

(or necessary us)

The notorious surge of tropical citrus that made its name in soda taps, now available for your vaping pleasure.

Taste vibrant, in your face Baja soda punch with bright notes of lime and orange with a cool blackberry finish.

Menthol Breeze E-Liquid:

Menthol and mint aren't quite the same thing – one's minty, and the other's a cool, pure sensation. This E-Liquid is made with the latter in mind: pure menthol that delivers an icy-fresh blast you can really feel. Feeling adventurous?

This E-Liquid is easy to blend with other flavours (Green Apple and Berry Blend are our favourites). Please feel
